

Wall-mounted basketball backboards overhang 180 cm

Product features:

Material: 2 mm thick steel

Finish: Powder-coated

Accessories: Bilaminate backboards, steel hoops, nylon nets

Mepa: Disponibile

Product description:

The **wall-mounted fixed Basket system** is made of powder-coated steel and has, in its standard version, an **overhang of 180 cm**.

The structure to be placed on the wall is equipped with **16 mm thick bilaminate backboards**, with **dimensions of 180x105 cm**, complete with **steel hoops** and **nets in according to regulations**.

On request, it is however possible to assemble the plexiglas or crystal backboards and the reclining circles, as well as create customized overhangs.
