**Product description:**

This **Toorx** brand **elastic band** is ideal for those who want to carry out **resistance and muscle strengthening exercises, but also physiotherapy and rehabilitation.**

This is a **high resistance elastic band** in a **25 meter roll** by 15 cm wide.

The roll formula is **perfect for professional use** , as it can be **cut as needed** , to adapt to the user and the exercise to be performed.

Today, it is widely used in **gyms and Pilates and physiotherapy centres** , as a tool for muscle rehabilitation and gentle gymnastics.

**Available in three different resistances: Light (0.35mm thick yellow colour), Medium (0.50mm thick red colour) and Strong (0.65mm thick blue colour)**
