

Toorx neoprene stabilizing wrist wrap

Product features:

Material: Neoprene

Warranty: 2 years

Product description:

This **stabilizing wrist brace** , from the **Toorx** brand, is suitable for supporting and keeping the wrist compact after trauma and/or fatigue.

The wrist brace exerts a light compression on the wrist, so as to keep the muscles warm and relieve pain, it also provides valid support and stability to the wrist.

The wrist guard, made of **neoprene** , is very **comfortable** and **ergonomic** .

Excellent fit thanks to the thumb hole and adjustable Velcro closure.
