Product description:

Sports mattress 200x200x30 cm with recess and non-slip bottom, made of non-deformable sponge with 21kg/m³ density and monobloc construction. **Made in Italy** product, entirely made in our factories.

PVC covering 650 grams per square meter, class 2 fireproof, washable, anti-mold, phthalate-free.

The mattress is designed for the discipline **of judo** and **combat sports** in general; for all those activities that require a safe area for the projection of falls. The recess allows the coach to accompany the student during the projection of the fall.

The width and depth of the recess are made according to the customer's specifications.

The **cover** has a **zip** on three sides with imitation leather reinforcement at the end, which allows the mattress to be removed. Carrying handles, vent net and possibility of adding (optional) handle with metal ring for storage.

The mattress **cover** can be made in blue, yellow, green, red, at no additional cost. In the absence of a specific request, the color available in stock will be shipped.

Any color preferences can be entered in the notes area of the order.
