Product description:

Sports mattress 400x200x50 cm 45° cut, with non-slip bottom made of non-deformable sponge density 21kg/m³ and honeycomb structure.

PVC cover 650 gr per square metre, class 2 fireproof, washable, anti-mould, phthalate-free.

The mattress can be used as **safe area** to protect the physical integrity in **gymnastics, climbing, parkour, circus art, childrens playground and in all activities that require a safe area for falls.**

The landing area is made up of **two mattresses** joined by nylon straps with snap clips.

The cover is equipped with a zip on three sides with a faux leather reinforcement on the ends, which allows cover removing. Carrying handles, vent net and possibility of adding (optional) handle with metal ring for storage.

The mattress cover can be made in blue, yellow, green, red, at no extra cost. In the absence of a specific request, the color available in stock will be sent.

Any color preferences can be written in the "notes box" at the order time.

Made in Italy, entirely made by Gana Sport.
